

NO-DIG ROADSHOW 2009

2009/10

NO-DIG ROADSHOW

Bristol Tuesday 10 November 2009 | Holiday Inn, Filton, Bristol
Wakefield Tuesday 1 December 2009 | Cedar Court Hotel, Wakefield

The NO-DIG Road Show is a series of one day events comprising an exhibition and seminar programme focussing on trenchless technology.

Seminars: Compiled by the United Kingdom Society for Trenchless Technology (UKSTT), the presentations provide delegates with an opportunity to hear a selection of papers designed to give an insight into the latest technology and techniques in trenchless technology.

Exhibition: The trade show stands are an integral part of the day, providing visitors and seminar delegates with an opportunity to meet key suppliers to the industry. The seminar programme is structured to allow delegates ample time to visit the stands and all catering arrangements will be situated within or adjacent to the exhibition area. Entrance to the exhibition is free of charge.

SEMINAR PROGRAMME

The following presentations will be included in the Bristol and Wakefield programmes. The final schedule will be provided to all registered delegates

Private Sewers - 46 years experience and what the future may hold with the Transfer of Private Sewers to the Public Sector

Richard Swan, Dyno Rod

Innovative techniques to successfully clean large diameter pipes

Andrew Rae, Fastflow Pipeline Services

The Relining of Laterals and Private Sewers

Philip Woodcock, Aarsleff Pipe Technologies
