Dear Richard

**Re: NJUG Vision for Streetworks.**

As one of the county's leading Utility Service Providers and associate member of NJUG, Carillion Utility Services is fully committed to delivering a consistently high standard of works for our clients in a safe and efficient manner while having due regard to sustainability through the techniques and materials used.

The six NJUG Visions are closely aligned to our aims and objectives and we look forward to working with NJUG, its members and fellow associates to develop and share best practice in a bid to minimise streetwork disruption.

Yours faithfully

Paul Killilea  
Technical Director  
For and on behalf of Carillion Utility Services
