Dear Mr Wakelen

NJUG Vision for Streetworks

South East Water is committed to a long term programme to maintain and improve our underground assets. This work involves undertaking street works across the counties of Sussex, Kent, Surrey, Hampshire and parts of Berkshire.

The NJUG Vision for Street Works is fully aligned with the Company's own objectives for conducting streetworks safely whilst minimising disruption to road users by working together with the other utilities and Highway Authorities.

Therefore I am happy to pledge my support for the NJUG vision for Streetworks.

Yours sincerely
